HOUSE RULES ☆

- 🐻 Tiny artists. Big energy. Almost no rules.
- 🧴 Getting messy is part of the fun! We provide gloves, but experience has taught us that paint always seems to find its way onto little hands. 🤔
- 👕 Please wear clothes that can handle a few colorful paint splashes.
- 🕒 Wait for your turn before entering the Mini Splash Studio.

- 💖 Be kind, share the materials and cheer each other on.
- 🐻 Every bear is unique — there are no mistakes, only creativity.
- 📷 Children may appear in social media photos or videos, but their faces will always be blurred.
- 🐻 Parents: please celebrate every masterpiece... even if it looks like a raccoon had a breakdown in a paint factory. 🤪

EVERY BEAR
TELLS A DIFFERENT
STORY.

✨ HOW IT WORKS ✨

- 1 Every bear has its own number on its foot.
- 2 When your bear's number is called, it's time for your VIP moment inside the legendary Linchy's Mini Splash Studio™. 🤪🤪
- 3 One by one, every little artist gets their own creative moment.

IN THE SPLASH STUDIO

- Spray it.
- Splash it.
- Drip it.
- Make it wild!

BACK TO THE CREATIVE TABLE

- Place your bear on the plate with your name on it.
- Paint it.
- Add charms & stickers.
- Give it your own personal touch.
- Create your one-of-a-kind bear!

💖 At the end of the workshop, every child takes home their personalized bear as a special memory of the day. 🐻

DURATION

- Approximately 2 hours of creative fun.
- Plus up to 30 minutes before setup and 30 minutes afterwards for cleanup.

GROUP SIZE

- Up to 10 children I can supervise the workshop on my own.
- For more than 10 children an extra assistant will be present, so every child receives plenty of personal attention and guidance throughout the workshop.
