COME FOR THE ART. STAY BECAUSE SOMEONE OPENED ANOTHER BOTTLE.

Sip & Drip is a private Linchy Art Club for **birthdays, bachelorettes, baby showers, girls' nights and those extremely important occasions known as "we just wanted to."**

There will be paint.
There will be music.
There will be snacks.
There will be champagne.
And unlike most things you do after champagne, you **actually get to take this one home.** ♡

Leather Linchy Birkins have a **3-week lead time,** because apparently fabulous things cannot be summoned overnight.

PAINT STATION

I bring high-end leather & textile paint, spray paint, markers, brushes, gems, charms, customize materials, music and all thegood stuff.

Or bring something of your own.

Bag? Yes.
Sneakers? Obviously.
Denim jacket? Absolutely.
Something questionable you found at the back of your wardrobe?

Show me upfront. We'll discuss. ♡

DRINKS

CHAMPAGNE MAMI'S ♡ €
Because hydration is important.

BEERS, MY DEARS ♡ €
For the girls who politely decline champagne and then drink six beers.

WINE & GO LOW ♡ €
Rosé / White / Red
Pick a colour. It doesn't have to match the paint.

PLEASE SELECT YOUR INTENTIONS:

- ☐ **LOW** — I'm here for the art.
- ☐ **MEDIUM** — I'm here for the art... and a refill.
- ☐ **HIGH** — Take my phone away.

0.0% available too.
You can **make questionable** artistic decisions completely sober. We support that. ♡

SNACK ATTACK

SALTY BAE'S €
For balance.

SUGAR DADDIES €
No financial benefits included.

POPCORNY €
Things are getting corny.

DARK & DANGEROUS €
Chocolate with bad intentions.

WHAT'S INCLUDED? ♡

- All the paint, high-end leather & textile paint, spray paint, brushes, gems, charms and customize materials you need.
- Plus music, guidance, your chosen drinks & snacks.
- The final price depends on the number of people, what we're customizing and how fancy we're getting with the champagne. ♡

THE SLIGHTLY BORING BUT NECESSARY PART

- **A big table.**
- Chairs.
- A power socket.
- Enough room to make questionable creative choices.

The Art Club itself lasts **around 3 hours.** I need approximately 30 minutes before to set everything up and 30 minutes afterwards to remove all evidence.

SIDE EFFECTS MAY INCLUDE :

- ☐ Paint on your hands.
- ☐ Champagne in your glass.
- ☐ Suddenly believing you should become an artist.
- ☐ Calling your bag "she."
- ☐ Taking 1,000 selfies with something you painted 14 minutes ago.
- ☐ Telling everyone "WAIT, mine is actually SO good."
- ☐ And becoming far too emotionally attached to your new customized item.

You may get a little messy.
You may get a little tipsy.
But you are **NOT** leaving without something fabulous, an iPhone full of evidence and a big stupid smile.
